

Information about European national conductor trainings

1. Country

Hungary

2. Short description of conductor training and final degree

Conductor training started in 1964. The Mozgássérültek Pető András Nevelőképző és Nevelőintézete (Institute of Conductive Education for the Motor Disabled and Conductor Training) gained independent college status in 1990. Since then every year undergraduate conductor training starts in the autumn (until 2009 conductor diploma, since 2006 BA training, the first BA diplomas were issued in 2010). At present about 70-90 places per year for new admissions, 8 semesters with 240 ECTS, BA degree.
Graduates may resume their studies for a MA degree in pedagogy or in complex rehabilitation.

3. Short description of conductor assistant training and final degree
